

Engagement strategies:

- Respond promptly to comments, mentions, and direct messages to foster relationships and build community.
- Engage with industry leaders, influencers, and potential clients by liking, retweeting, quote retweeting, and replying to their content.
- Host Twitter Spaces or Chats on relevant topics to position your agency as a leader in personal branding.
- Use relevant hashtags to increase visibility. (e.g. #PersonalBranding, #ImageConsulting, #Reputation, #CareerGrowth, #Entrepreneur, etc)
 - Optional:
 - Monitor current trending hashtags and keywords to incorporate them into your tweet
 - Create a unique hashtag (e.g. #ImageRevolutionIGI).
- Use Twitter Analytics to monitor the performance of your tweets, and track follower growth, engagement rates, and content effectiveness.
- Regularly analyze data to understand what types of content resonate best with your audience and refine your strategy accordingly.
- Utilize Twitter Ads to promote key tweets, client success stories, or lead magnets like free resources, webinars, or consultations.

Profile:

- Add a bio to give a brief introduction
 - Founder & Group CEO of Image Group International | Personal & Business Brand Authority Coach | Image Consultant | Author
 - E.g.

Empowering millions to live a life of meaning.

- Might be helpful to have a pinned tweet that includes a link to the website. Pinned tweets options:
 - Company Introduction:
 - Briefly explain what Image Group International does, its mission, and the value it provides.
 - Include a link to your website for more information.

- E.g. "At Image Group International, we empower leaders, entrepreneurs, and professionals to unlock their potential through powerful personal branding. Learn more about our services: imagegroup.com.au"
- Upcoming Events or Services:
 - Promote webinars, workshops, or special events.
 - Include a CTA encouraging users to sign up or learn more.
 - Example: "Join our upcoming webinar on mastering your personal brand and stand out in your industry. Register now! #PersonalBranding #CareerGrowth"

Content Strategy:

- Educational Content: Share insights, tips, and best practices on personal branding, networking, and online reputation management.
 - Format:
 - Tweets: Share quick tips or insights on branding (e.g., "3 Tips for Building a Strong Personal Brand: 1. Define Your Unique Value 2. Optimize Your Online Presence 3. Network Authentically").
 - Threads: Dive deeper into topics like "How to Create a Memorable Personal Brand in 2024" or "Top 5 Mistakes to Avoid in Personal Branding."
 - Short Videos: Post brief video tips, Q&As, or snippets from seminars to engage followers with visual content.
 - Frequency: 3-4 times per week.
 - Engagement Tactics:
 - Use polls or questions at the end of threads to encourage comments (e.g., "What's the biggest challenge you face in building your personal brand?").
 - Include relevant hashtags for reach (#PersonalBranding, #ReputationManagement).

- Client Success Stories: Showcase case studies, testimonials, and before-and-after transformations of clients.
 - Format: Visuals (graphics or videos), threads detailing the client journey, or quote retweets.
 - Frequency: 1-2 times per week.
 - Optional: Use a branded hashtag (like #MyIGIJourney)

- Engagement Content: Use polls, questions, or Twitter Spaces to engage directly with your audience and create a sense of community.
 - Format:
 - Polls: Ask questions like, “What’s your biggest challenge in personal branding?” or “Which topic should we cover next in our webinar?”
 - Q&A Sessions: Host live Q&As to answer audience questions in real time.
 - Twitter Spaces: Organize audio discussions on trending topics like “The Future of Personal Branding.”
 - Frequency: 1-2 times per week.
 - Optional: Join a few Twitter communities to make it easier to find similar active accounts to engage with.

- Thought Leadership: Share original content, opinions, or industry news related to personal branding and image building.
 - Format: Threads, opinion pieces, quote retweets.
 - Frequency: 2-3 times per week.

- Promotional Content: Promote services, seminars, workshops, or podcast episodes.
 - Format: Graphics, short videos, link tweets.
 - Frequency: 1-2 times per week.
